

There are two size options available for advertising in The Morsel, Menomonie Market's biannual newsletter. Full width or half width ads are available. In our Winter 2015 issue, we began printing in full color, you will find the pricing for color and black and white ads below. Our advertisements are located in the last 4 pages of the publication.

We prefer .pdf formats and also accept Word, .jpeg, .ai, and eps formats.
